
During this year of suspension, the Interpretation Document is being reformatted, reviewed and updated to include interpretation and guidance for the re-accreditation requirements. This new document will be released in the coming months. Stay tuned!!

The Health Department Self-Assessment Instrument has been reformatted. Please note that the content has NOT been revised. If your health department has already begun using the previous version of the HDSAI, you do NOT need to transfer your information to the newly formatted document. However, for those who have not begun preparing for the accreditation process; please use the newly revised HDSAI, which can be found at http://nciph.sph.unc.edu/accred/health_depts/materials/index.htm.

The Accreditation Board has established sub-committee to review the NC Local Health Department Accreditation program’s business plan. The sub-committee’s charge is to brainstorm different ways of structuring the Accreditation program in NC as well as different funding structures.
